

# Pride and Prejudice

E.g. Vanity and pride are different things, though the words are often used synonymously. A person may be proud without being vain. Pride relates more to our opinion of ourselves, vanity to what we would have others think of us.

utterances

characters in a social bubble

aristocrats and peasants with their prejudices

**This novel evokes unusual feelings. It allows me think philosophically about emotions and feelings.**

behavior and actions

examples of personalities with bad and good moral character

atmospheric sensations

The author lays the reader on the idea of these places, gives free rein to fantasy and imagination

evolution of a person with a psychological problem

I predict events based on the name and characters )
